## Prayer & Liturgy

### In the Gospel this week...

We hear that God's Perfect Promise to Abraham was that He would bless Abraham and his family. We are descendants of Abraham and receive the blessings of God's promise through Jesus. Children will explore how they can be a blessing to others this Lent.

### In the Gospel next week...

We are reminded, through the story of Moses and the Ten Commandments, that God promises to guide us so we can live in freedom.

## Mental Health Week

Children's Mental Health Week took place this month.

Children's Mental Health Week is a mental health awareness week that empowers, equips and gives a voice to all children and young people in the UK. We want our children at St. Bernadette's to have all of these empowering skills and qualities so that they can make positive changes with their mental health and wellbeing.

Here are some examples of the brilliant work going on during this week.

Today we discussed the importance of listening to others and understanding their opinions so we can create a productive atmosphere and to support mental health.

## World Mental Health Week

Today, we looked at our mission to 'Take Notice'. This linked in with Place2B's theme of 'What matters to me?' The children created a poster to show what matters to them in their lives and in the wider world and then we compared those with members of the class to show that we all have differences but they are all important.

## Activ Kids - Millie Tanner - GB Athlete Visit

Firstly we would like to thank all of the families and friends of St. Bernadette's who sponsored our pupils to take part in the fitness circuit. We raised a whopping £1225!! This is an incredible amount and we were blown away by people's generosity. The money raised is now split between the athlete and our school.

We were all inspired by Millie's athletic journey. We wish her luck in her career and we hope to see her competing soon!
