### Prayer & Liturgy

#### **In the Gospel this week...**

The children will explore how they can respond to Jesus, the Good Shepherd, who knows each of them personally.

#### **In the Gospel next week...**

Next week's Gospel describes Jesus as the true vine to which we must remain connected in order to bear fruit. The Children will learn how to act in ways to help their neighbour and how Jesus promises that when undertaken in His name, these actions will 'bear fruit'

### St. Bernadette's Got Talent

A huge thank you to everyone for helping us raise a whopping £567 for the Caritas Good Shepherd Appeal. This money will go to help others who are less fortunate than ourselves. We really appreciate the generous donations received.

We also raised £252.70 in the Easter raffle. Thank you from everyone at St.B's.

## Celebration of the Word

In addition to our weekly Gospel Assemblies, each year group regularly plan and lead their own prayer time. This used to be called 'Collective Worship' and is now called Celebration of the Word.

During this special time, the children decide how they will make the prayer space special, they will choose an appropriate hymn and they will think of how they can respond to and act on what they have heard in the prayers and readings.

This term we would love for parents/carers to join us for our class Celebration of the Word. This will take place in your child's classroom and will start at 2pm. Please see the dates below.

**22nd April- Year 3**

**29th April- Year 2**

**13th May- FS1**

**20th May- Whole School (Devotions to Our Lady)**

**17th June- Year 5**

**24th June- Year 1**

**1st July- FS2**

**8th July- Year 4**

**22nd July- Year 6 Leavers (hall)**

## **Resources for Families and Young People**

### **Digital support resource for GM residents with disabilities.**

With an estimated 526,000 people in Greater Manchester living with disabilities, and research suggesting 45% face forms of digital exclusion, a new resource has been launched to help disabled people in Greater Manchester get online and access opportunities in the digital world.

Greater Manchester Combined Authority has launched 'Get Online Greater Manchester: for disabled people', a comprehensive guide that signposts people with disabilities, and those supporting them, to organisations that can help overcome digital barriers and help people benefit from opportunities in the digital world. The booklet brings together information on assistive technology; digital skills and skills courses; broadband and mobile connectivity; and advice about staying safe online.

The guide has been developed with input from partners and organisations of Greater Manchester's Disabled People Panel. They advised that many disabled people and care professionals are unaware of where to access digital support, such as assistive technology, digital skills and getting online, and that more guidance was needed to help disabled people understand and utilise the range of technology available.
